

The Illinois Gaming Board is committed to providing access to our electronic and information technology, including our web pages, for individuals with disabilities in accordance with the [Illinois Information Technology Accessibility Act \(IITAA\)](#).

The IITAA requires Illinois agencies and universities to ensure that their web sites, information systems, and information technologies are accessible to people with disabilities. While the [Americans with Disabilities Act](#) and [Section 504 of the Rehabilitation Act](#) already require the State to ensure accessibility, the IITAA establishes specific standards and encourages the State to address accessibility proactively. To meet this commitment, our web pages have been designed to meet or exceed the IITAA standards.

If you have a disability and the format of any material on our web pages interferes with your ability to access the information, please contact the webmaster at webmaster@igb.illinois.gov.
